

The Fabric of My Life,  
by Zooey Deschanel

Verse 1

Woke up today  
It was another lovely day  
To watch the sun  
Rise and fall again  
From my window

The touch, the feel,  
the fabric of our lives  
The touch, the feel  
of cotton,  
the fabric of my life

Verse 2

Woke up today  
It was another lovely day  
To watch the birds  
In the sky again  
From my window

The touch, the feel,  
the fabric of our lives  
The touch, the feel  
of cotton,  
the fabric of my life

Verse 3

Just saw the night unfold  
Another lovely day  
And saw the stars in  
the sky again  
From my window

The touch, the feel,  
the fabric of our lives  
The touch, the feel  
of cotton,  
the fabric of my life
